Semester and Year:

Course Description

This course focuses on how to apply the spiritual armor in spiritual warfare. Topics include teaching to change lives, the belt of truth, the breastplate of righteousness, the shield of faith, the power of prayer, spiritual warfare, and how to discern the voice of God. It addresses the learning styles of adults through active discussion, charts, visuals, Internet resources, team-building, and presentations. To ensure transfer of credit, changes to this course syllabus must be approved by both Equip Biblical Institute and Southern California Seminary. Over 1,200 leaders have completed EBI courses. *Suggestions for improving course design are appreciated.*

Methods of Instruction

Instruction emphasizes active learning, problem-based learning, project-based learning, presentation-based learning, team-based learning, reflection, discussion, interactive lecture, collaboration, visuals, term papers, and exams, with the goal of long-term and real-world learning that results in life-change and leadership skills. The major pedagogical premise of this course is that students should be treated like the servant-leaders they are becoming.

Dr. Gary C. Woods has served as the Bible Department Chairman and Registrar at Southern California Seminary. Dr. Woods has taught for Liberty University, Luther Rice Seminary, San Diego Christian College, and Southern California Seminary. He has a Doctor of Education in Technology and Learning from Alliant International University, a Master of Divinity in Missions from Southwestern Baptist Theological Seminary, and a Bachelor of Science in Cross-Cultural and Pastoral Ministry from Liberty University. Accelerated Adult Learning Strategies

Authentic learning involves observation, interpretation, and application. The goal of *balanced instruction* is to address the learning strengths of adult learners, including verbal, visual, musical, logical, kinesthetic, reflective, interpersonal, natural, and spiritual. *Student-centered instruction* is most effective when it impacts the mind, will, and emotions.

TEAM-based Active Learning Principles

Students are encouraged to study in teams to develop application skills, leadership/relational skills, and presentations. Students are not to give answers to co-learners, but help them learn how to find the answers.

TEAM = Together Everyone Accomplishes More.

The Cone of Learning

Student Requirements

First, answer the **questions** in the **portfolio** before class. This will assist student-leaders in focusing on core information and developing the time-on-task study skills and writing skills essential to effective learning and long-term memory. Each student must do his or her own work.

Second, maintain the **journal** in the portfolio. (1) What is God teaching you in this session? (2) How are you going to apply these concepts to your life, family, and ministry? (3) How can your church apply these concepts to making disciples and developing leaders? This will assist student-leaders in developing reflection, application, and decision-making skills essential to spiritual growth.

Third, participate in the **discussion** of the questions and applications in the portfolio during class. Through discussion students learn from one another and sharpen one another as iron sharpens iron. This will assist student-leaders in developing the relational, speaking, and creative/critical thinking skills essential to effective teaching and servant-leadership.

Fourth, complete the **midterm exam**. This will assist student-leaders in developing long-term memory through multiple reviews of the core material.

Fifth, participate in an individual or **group presentation** on one of the chapters in the textbooks. The ability to make engaging presentations will multiply your influence, leadership, teaching, and preaching. Discuss applications found in that book. This presentation can be a PowerPoint, drama, role-play, charts, or drawings. This will assist student-leaders in developing the creative/critical thinking and teamwork skills essential to effective teaching and servant-leadership. Week 13

Sixth, type a 10- to 15-page **term paper** titled "Applications from Spiritual Warfare for Leadership and Character Development." The ability to write well will multiply your influence, leadership, teaching, and preaching. Footnote all the ideas, paraphrases, and direct quotes in your paper, whether from books or the Internet. Font should be Times New Roman 12. Include illustrations and charts. This will assist student-leaders in developing the creative/critical thinking and writing skills essential to effective biblical teaching, preaching, and servant-leadership. Week 13

Seventh, complete the **final exam** in the portfolio. This will assist student-leaders in developing long-term memory through multiple reviews of the core material and in focusing on transformational leadership and teaching skills. Week 14

Course Objective Is Life Change

Our mission is to bring glory to God by assisting local churches to equip believers to live and minister biblically based on the inerrant Word of God. This equipping includes Bible knowledge, Christian character, and ministry skills. The objective is to take student-leaders from where they are and move them to where they need to be. Students will learn how (1) to read with their brains; (2) to remember what they have read; (3) to sharpen their thoughts through journaling; (4) to speak effectively before others; (5) to work as learning teams of leaders; and (6) to biblically apply what they are learning to life, family, and ministry.

Accelerated Adult Learning Techniques

Adults learn in unique ways and so this course incorporates multiple learning styles. According to the **Cone of Learning**, writing, discussing, and applying concepts are the keys to accelerated adult learning. The portfolio is foundational to learning because students remember more of what they write, discuss, and apply. By applying these principles of champion learners, students will experience transformational growth. Welcome to the accelerated disciple-making process!

Transfer of Credits to Southern California Seminary

Attendance Policy

Attending class on time is important to receive the most out of the course. Entering class late disrupts the learning process of all students. Students are permitted three absences for a 14-week semester course. For the semester (28 classroom hours plus 68 homework hours) courses, more than 10 minutes late is a *tardy*; more than 20 minutes late is an *absence*. Two tardies count as one absence. **College credit cannot be transferred to Southern California Seminary when a student misses four or more class sessions.** A grade of NC (No Credit) will be recorded when a student misses four sessions, does not complete coursework on time, or earns less than 700 points.

Class Time and Homework Policy

To transfer credits to Southern California Seminary, **each 2-unit course must include at least 28 hours of class time discussion and 68 hours of portfolio homework during the 14-week semester.** Courses with less than 28 hours of class time do not meet EBI requirements. Since “time plus focus equals learning,” increased classroom time and active learning result in increased learning—and learning is the key to leadership and service. Courses start the week of January, May, and September. For maximum learning, **it is recommended that working students take 2 courses per semester** or 6 courses per year.

Late Work Policy

Completing work on time is an important habit for leaders to develop. Homework should be completed weekly before the class discussion and application. The grade for work that is between 1 and 7 days late is lowered by 20%. The grade for work that is between 8 and 14 days late is lowered by 40%. **Work that is over 14 days late will not be accepted.** Professors are to send to the EBI offices the grade sheet within 15 days of the end of each course so that transcripts can be updated each semester.

Portfolio Policy

To transfer credits from Equip Biblical Institute to Southern California Seminary, **students must present a complete portfolio of their course work.** The portfolio consists of the questions, journal applications and reflections, term papers, and exams for each course. Upon successful completion of the Associate of Biblical Studies, students may transfer **60-66 units** into the Bachelor of Arts in Biblical Studies degree. If the portfolio for a course is not complete, the credits may not be transferable. Portfolios must be completed individually—not as couples. Answers to portfolio questions are subjective so each student must do his or her own work.

<p>It is possible to earn a “C” by writing an essay rather than a term paper, but it is necessary to write a term paper to earn an “A” or “B”. Writing clarifies one’s thoughts and is a key skill for an effective leader. Initially students may have difficulties in developing writing skills, but they will improve and gain confidence with each course they complete. It is important that professors help students improve their writing skills to maximize their thinking and leadership skills. Students should use the term paper rubric, sample term paper, and type-over template to write their term papers. Since students have different abilities, goals, responsibilities, and schedules, students can choose the grade for which they are aiming.</p>		
<p>Writing is one of the most important skills that a leader can develop. As part of the academic agreement with Southern California Seminary, to earn an "A" students are required to email or mail a copy of their academic work to the EBI Registrar. The goal is to catch students doing something right and affirming them. The objective is to recognize and analyze the best term papers and to prepare next generation leaders for university level education by helping them improve their writing skills, thinking skills, and leadership skills.</p>		
<p>The mission of Equip Biblical Institute is to bring glory to God by assisting local churches to equip believers of various cultures and languages to live and minister biblically based on the inerrant Word of God. This equipping includes building biblical knowledge, Christian character, and ministry skills. The goal is to provide preaching and teaching resources, intentional leadership development, disciple-making materials, Skype courses, YouTube videos, charts, notes, and visuals to pastors and churches around the world. EBI is equipping the next generation of pastors and leaders to multiply their influence by training leaders, creating videos, and writing books.</p>		
<p>EBI is a religious exempt school and not accredited by the U. S. Department of Education; however, EBI Associate degrees are transferable to Southern California Seminary and other schools.</p>		
<p>As students take each course their brains will develop a multitude of new neural connections increasing their ability to read with comprehension, make practical applications from what they are learning, and improve their communication, leadership, and writing skills.</p>
