Getting Started

- 1. When do you pray? What prompts you toward prayer?
- 2. Describe a person you know, or know of, who is a "prayer warrior." How do they show up in life? What is their attitude?

Digging Deeper

- 1. What is the world's attitude about prayer as you have observed it? How would you describe prayer outside of fellowship with Jesus?
- 2. Read the verses below, and for each, note what makes the prayer of the Christian contradictory to the way the world views prayer.

Matthew 26:41

Luke 11:8-10

Romans 8:26

James 4:2

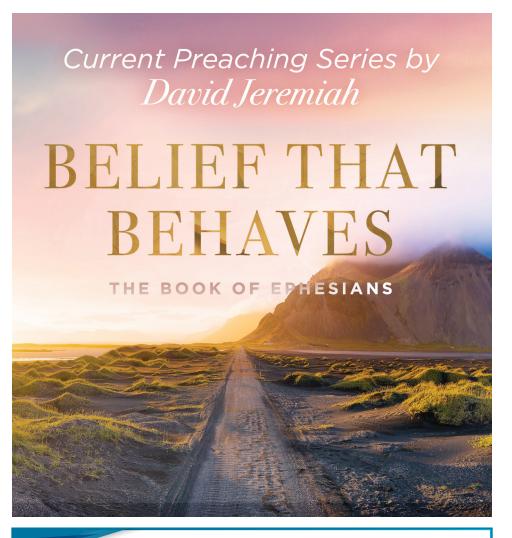

I Thessalonians 5:17

Romans 12:12

- 3. Read Ephesians 6:18 and circle each time the word "all" is used. Why is this significant?
- 4. Read Romans 8:26-27 a few times. Write down what is significant to you in this passage. How does this shift your view of prayer?
- 5. Pastor Jeremiah declared the persistence, possibilities, petition, power, and precision of prayer. Which of these are you most comfortable/confident in? Which needs work?

Bringing It Home

- 1. What or whom are you hesitant to pray about? Why? How does Ephesians 6:18 challenge you to think and pray differently?
- 2. How can you "pray always" in your life today?
